

# ELEVATED

## MENTORING STUDENTS TO COLLEGE

### 2021-2022 COVID-19 POLICY & PROCEDURES

#### Safety Guidelines

- Elevated will not require proof of vaccination. Unvaccinated persons are ***required to*** always wear a mask, unless eating or drinking, maintain social distance.
- Increased attention to proper hygiene, hand washing, and disinfection will be made at Elevated events.

#### Positive COVID-19 Infection

- If an Elevated mentor or student has known exposure with someone or a location that has tested positive or has an outbreak of COVID-19, the mentor or student must quarantine for 7 days, and show no signs or symptoms of COVID-19 prior to attending any event.
- If an Elevated mentor or student test positive for COVID-19, quarantine (no contact with Elevated mentor or students) for 14 days **is mandatory for the individual.**
- ***Only if the cohort has met in person prior to the individual testing positive, will the cohort be required to quarantine for 7 days.***
- -Cohorts must show ***no signs or symptoms of COVID-19*** prior to attending any event.

#### Testing & Re-entering Elevated

- A test will be ***required to attend any events following quarantine, for the student or mentor who initially tested positive.***
- In the event of a mentor or student involvement in an outbreak, ***but no symptoms or signs shown, no test will be required.***
- Free testing site, located at the Citadel Mall, near JcPenney, Monday through Saturday 8:00 am -5:00 pm.
- Peak Vista provides free testing for all Peak Vista patients by appointment.
