

ELEVATED

MENTORING STUDENTS TO COLLEGE

2021-2022 COVID-19 POLICY & PROCEDURES

Safety Guidelines

- Elevated students will provide proof of vaccination for all overnight college visits and trips.
- Unvaccinated persons are ***required to show proof of a negative COVID test within 48 hours of college trip. Negative test result must be from a license medical facility or testing site.***
- Increased attention to proper hygiene, hand washing, and disinfection will be made available at all Elevated events.

Testing & Re-entering Elevated

- If a student or mentor, tests positive for COVID-19 or any variant of COVID-19, a negative test will be ***needed to attend any events following quarantine for 5 full days, for the student or mentor who initially tested positive.***
- Only if the cohort has met in person with the individual testing positive within 7 days, will the cohort have to cancel all events until proof of negative tests are shown.
- Free testing site, found at the Citadel Mall, near JCPenney, Monday through Saturday 8:00 am -5:00 pm.
- Peak Vista supplies free testing for all Peak Vista patients by appointment.
